Over 4,000 Attendance At McGregor Race Meet

RACE MEET QUEEN—

JUDITH WILLARD

Crowned as queen of the 1961 Lake McGregor Race Meet last weekend was Judith Willard of Milo, who was sponsored by the Milo IOOF Lodge. Miss Willard was crowned on Saturday morning by Bonnie Beckner, queen of last year's race meet.

Ladies-in-waiting were the other queen contestants, Joyce Stannard of Lomond; Diane Vaage of Champion and Maxine Haas of Travers.

The contestants were judged partly on the total of their ticket sales and partly on their horsemanship. Horsemanship judges were Mrs. Anne Buxton of Gleichen, Mrs. Iris Glass of High River, Milt Ward of Arrowwood and Orville Stanquist of Stettler. Contest secretary was Mrs. Lucille Deitz.

Queen Judith was presented with a set of luggage on behalf of the Lake McGregor Memorial Park Association by master-of-ceremonies Leonard Northcott. The other three contestants received engraved trophies. Miss Willard now advances to the Miss Canada Rodeo Queen contest.

Two full days of horse racing plus the introduction of parimutuel betting contributed to the success of the annual Lake McGregor Race Meet, held last weekend. Attendance on Friday was 1,600 and on Saturday 2,700.

The Ed Kroeschel outfit from Beiseker was the winner of the Milo Hotel Trophy and top prize money as they posted times of 1:10:5 on Friday and 1:08:1 on Saturday in the chuckwagon races. Owner Bud Byers of the Milo Hotel presented the trophy.

In the fourth heat on Friday, the Hank Willard outfit swung wide on a barrel turn and tangled with the Cross of Calgary outfit, resulting in one horse from the Cross wagon having to be destroyed. In another accident, Ronnie Glass of High River wrecked at the start of the backstretch but there were no injuries.

Final standing of the 13 outfits competing:

1, Ed Kroeschel, Beiseker; 2, Peter Bawden, Calgary; 3, Orville Burkinshaw, Calgary; 4, Ralph Vigen, Grande Prairie; 5, Jack Schechter, Edmonton; 6, Merle Anderson, Carbon; 7, Ron Jenkins, Calgary; 8, Cross of Calgary; 9, Bud Anderson, Carbon; 10, McKinnon & Sons, Water Valley; 11, Al Shantz, Ponoka; 12, Hank Willard, Torrington, and Ronnie Glass, High River.

One subject brought up at the recent Board of Trade meeting was the use, or mis-use of the above street refuse containers. It was expected that the effects of the recent street sweeping would be lost in time but the many who use the curbs and streets to dispose of cigarettes and candy wrappers are bringing back litter-filled streets once more. These containers were a project of the Lions Club and it is hoped people will get into the habit of using them rather than the curbs.

Minor Baseball Leagues Wind Up Schedules; Playoffs Start

League action in the Wheatbelt Minor Leagues wound up over the weekend and playoffs start immediately. An extra game will be required before the playoff schedule can start in the Little League as the Vulcan Yanks won their final league game over Carmangay by a 10-2 score to force a three-way tie for the final two playoff spots. The other teams concerned are Vulcan Tigers and Mossleigh; with Champion ending up in top position in league standing and Carmangay in second place.

On Thursday evening the two Vulcan teams met in a crucial game as both clubs were eyeing the final playoff positions. It was the Tigers coming out on top with an 8-4 victory with Randy Carruthers besting Johnny Ray in a dandy pitchers' duel. Dale Lebsack topped the Tiger hitters with two for three while Roy Atkinson held the spotlight in a losing cause by having a share in all the Yank runs with a bases loaded triple and scoring the other run himself.

Champion's final league game was a 12-9 win at Mossleigh with David Matlock getting the pitching victory over Bertschy. Ken Munton got a home run for the Mossleigh team while Brian Krantzler topped the hitters with three out of four.

Other last week results had two real good games with Champion and Carmangay playing a 5-5 tie and Mossleigh winning a tight 4-3 victory over the Vulcan Yanks.

Babe Ruth League action wound up with Milo on top and then suffering disqualification from playoff action due to reportedly using some over-age players.

This left the playoff picture with Mossleigh on top and playing Carmangay with Vulcan in second spot and now meeting Champion in the semi-final round.

Mossleigh finished with two close games losing one to Carmangay by a 10-9 score and winning over Vulcan by a 4-3 score. In the final game it was Maisey winning a pitching duel over Joe Boutland of Vulcan.

Attends Y.P. Week

Nadine Armey of Arrowwood has been selected to attend Farm Young People's Week being held at the University of Alberta in Edmonton, June 13-21. She will be in a group of 35 young men and women being sponsored by the Alberta Wheat Pool.

As well as paying the return transportation of these young people, the Alberta Wheat Pool will contribute $15.00 toward the cost of their room and board while at this popular short course.

This is the 43rd consecutive year that Farm Young People's Week has been held at the University in Edmonton and the 18th year that a group of 35 boys and girls has been sponsored by the Wheat Pool.

Champion Clobbers Vulcan In Two League Games

The "hex" that Champion has held over Vulcan on the ball diamond for years was still around last Sunday as the visitors plastered the Elks in two afternoon games of the Big 6 loop. The opener ended 18-4 favoring Champion and Shorty Bouyzan's boys were back with the same kind of treatment in the second game winning 9-1.

Vulcan errors, a whole season full of them — began early in the first game and everyone took a turn at kicking or bobbling the ball and by the fourth inning the Elks were ripe for an eight-run inning by the visitors from the south and things didn't get any better until the seventh inning when the league rule ending any game with a more than a 10-point spread by that inning, came into effect.

Steadman pitched the first game for Vulcan with help from Code while the Champion battery was Soderquist to Buchan. Soderquist received good support from his fielding team and while their batting was not overpowering, they were hitting often and had Elks in trouble all the way.

Michael Jantzie pitched a good game for Vulcan in the late afternoon affair while M. Rhodes was on the mound for Champion.

Merv Smith of Champion was leading hitter of the day with six hits for nine trips to the plate while Jordan was top man for Vulcan with three safe hits in six times at bat. A young Elks rookie, infielder Jack Ruark had a good day at the plate hitting safe twice in three times up.

Vulcan has two wins in their four league games thus far and this Sunday they play host here to Coaldale in a double-header starting at 2:00 o'clock.

Vulcan: Schumacher, Burley, Degenstein, Hawk, Steadman, Mitchell, Gatenby, Jordan, Ruark, Jantzie, Deal, Code, Houlton, Collier, Degenstein.

Champion: Hegland, S. Passolli, K. Groves, Smith, Buchan, Warren, Fath, D. Groves, Soderquist, Schneider, G. Rhodes, M. Rhodes.

New Foundation Program Responsible for Increase

County School Taxes Up 5 Mills As Govt. Grants Cut By $80,000

County of Vulcan rate-payers are faced with a tax increase in 1961. County Councillors set the mill rates at a regular County meeting held on June 8.

Rates are as follows: Municipal tax 21 mills, unchanged from last year; Provincial Government Requisition for hospitals 4 mills, unchanged from last year; School taxes 35 mills, an increase of 5 mills over 1960; Lomond Municipal Nursing Service 4 mills, an increase of 3 mills from last year; Little Bow Municipal Hospital, for unapproved costs, 4 mills, unchanged from last year due to the deletion of the 4 mills for doctor in that area; Lethbridge Municipal Hospital District unapproved costs 1.25 mills, an increase of 1.25 over last year and Bassano Municipal Hospital 1.5 mills, an increase of 1.5 from last year.

School Taxes

Councillors were concerned over the effect of the Provincial Government's School Foundation Program on the County of Vulcan tax payer. In spite of the fact there is a special contingency grant of $54,376.00, the Department of Education's net contributions to the County School system is about $80,000.00 less than in 1960. This is directly responsible for the five mill increase in farm taxes.

It was also pointed out that the new equalized assessments of the town and villages is lower than last year which results in a decrease of some $6,000.00 in school taxes in those areas for 1961.

The general feeling of the Council was that the County should continue its efforts for more contingency grant and if any is obtained the 1962 school tax would be adjusted.

Municipal Hospital District requisitions for unapproved costs are being levied as an additional mill rate. Little Bow, 4 mills; Lethbridge, 1.25 and Bassano, 1.5. Vulcan, High River and Brooks Municipal Hospitals have no requisitions.

It was necessary to levy 4 mills in the Lomond Nursing Association area to pick up deficits in the past few years and to pay for the recent improvements to the nurse's cottage.

Budget figures generally (including school) are approximately the same as last year.

The appropriation for road maintenance, construction, and public works projects generally is $425,000.00 which will ensure a continuation of the 1960 level of road improvements.

Provincial Government road grant and the Municipal assistance grant will be slightly higher this year.

Carmangay School

At the School Committee meeting held on Monday, June 5, preliminary plans for the building of the Carmangay School were discussed with V. E. Meech, Architect of Lethbridge. It is expected that more definite plans will be considered at a special meeting to be held on Monday evening, June 19.

The secretary-treasurer read a letter from insurance adjusters stating that settlement of the Carmangay school loss was $197,000 for the building and $16,200 for the contents. This settlement was accepted by the County.

Staff Changes

Resignations from the following teachers were accepted: V. Gable, principal at Arrowwood school; R. Coglon, principal at Milo school; Mrs. Mattucks, Arrowwood; S. J. Gilson, principal of New Dale Colony school. The following appointments to the staff were made: Carmangay, H. T. Peard, S. Salvage, J. Staehr. Lomond, D. Scotney, Mrs. A. Armstrong, L. Lucas.

The committee passed a motion to set the school opening for next term on Friday, Sept. 1, 1961.

A. L. Schrag Transferred

A. L. Schrag advised the school committee that the Department of Education has transferred him to the County of Ponoka No. 3 as superintendent in that division, effective Aug. 1, 1961. He expressed his regrets at leaving the County of Vulcan where he had received splendid co-operation from the school committee and all those concerned with his work.

J. M. McKay, chairman of the committee expressed regrets on behalf of the County and was sorry to see him leave. Mr. Schrag had always done his best to build up the county's school system and had worked hard for the welfare of the teachers and pupils. Mr. McKay thanked Mr. Schrag for his service to the County and for the many calls upon his personal time which had always been so generously and enthusiastically given. He wished Mr. Schrag every success and happiness in his new home and position.

Earl Hegland Heads Champion Lions Club

At the regular election meeting of the Champion Lions Club last week, the following officers were elected for the coming year:

President, Earl Hegland; 1st vice-president, Glen Rhodes; 2nd vice-president, Fred Geschwendt; 3rd vice-president, Ron McGrail; secretary, Phil Fath; treasurer, Joe Keenan; Tail twister, Carl Nelson; Lion tamer, Lyle Baynham.

Directors are Bill Racher, Cecil Rhodes, Bob Burton and Clarence Nelson and Ed Lundberg is past president.

Complete Addition To Food Market

The Vulcan Food Market, operated by Art and Dora Leoni, has recently completed a 30x40 ft. addition which now gives the store a total of 3,600 square feet of floor space.

The new addition allows space for more refrigerated display fixtures and these now include a 20 ft. frozen food display case, a 27 ft. dairy and fresh meat display and a 25 ft. fresh produce display. An additional service of the fresh meat department will be the cutting, wrapping and quick freezing of meat for home freezers and facilities for this service are now being installed.

Two check-out stations will be operating when the remodelling program is completed, allowing for speedier customer check-out and easier access in and out of the store will be provided by a planned remodelling of the store front.

Berrywater 50th Anniversary July 8

The Berrywater F.W.U.A. held their June meeting at the home of Mrs. Muriel Smith, with 15 members and four visitors present. An interesting article from Edmonton F.W.U.A. head office was read regarding the new junior F.W.U.A. camp being built in the Nordegg area. Despite the shortage of funds building appears to be going ahead.

It was agreed the local would adopt their Korean "son" for another year.

The 50th celebration of the Berrywater community was discussed, but before replies came back from invitations sent out, not much could be ararnged regarding lunch. This event is to be held July 8, at the Community Centre.

Plans were discussed for a farewell party in honor of Lee and Rose Richardson who are leaving the community. This is set for June 23 and anyone wishing to attend will be welcome.

Following the business part of the meeting Mrs. Jerry Snow gave a most enjoyable talk and demonstration on new fabrics.

Mrs. Lorna Gerding then presented Mrs. Smith with a small gift for her new home, for which Muriel thanked everyone most graciously and invited all in for a cup of tea.

A most delicious lunch was served by the committe with Mrs. Jeanette Sinclair winning the tea draw.

School Track Meet Cups Awarded

At the recent County Schools track meet, Gary Flitton was awarded the cup for the boy gaining the highest number of individual points in the meet.

The cup for the girl winning the highest number of individual points was won by Delores Doane.

Golf Highlights

The Vulcan Ladies' Golf Club are having a luncheon on Monday, June 19, at 1:00 p.m., with golf to follow.

* * *

With fairways drying out and drives lengthening daily, scores have been steadily dropping and the past week has seen a rash of under par cards turned in. Ray Wellman's 32-33 on Sunday morning still heads the list by a whisker.

The executive along with everyone else in the Vulcan district are saying a few extra prayers for some early rain. It would prime the course for their big Anniversary Tournament on Sunday, June 25th.

Shower Honors Recent Bride

Mrs. Walter Mix, Mrs. Walter Dann and Mrs. Fred Geschwendt were joint hostesses at a miscellaneous bridal shower Tuesday evening, June 6, at the Mix home, in honor of Mrs. N. Douckerty, the former Noreen Bowie.

Each member was given a card on which she was required to write a favorite recipe or household hint. Some 45 friends were present and all enjoyed an interesting program. One contest, arranged by Mrs. Dann was won by Miss Mary Ann Crabb.

Later a basket piled high with many gaily wrapped gifts was brought in and presented to the bride by Mrs. Mix, who expressed the best wishes of all for a long and happy marriage. Assisting Noreen in opening the lovely and useful gifts were her mother, Mrs. Ernie Bowie and her cousin, Shirley Mueller, Gloria Jean Bowie, sister of the honored guest was in charge of the guest book.

Noreen very graciously thanked her friends for their kind wishes and the lovely gifts. A dainty lunch was served by the hostesses to conclude the evening's program.

Something Extra This Week

Readers will find included in this issue of The Advocate a color insert containing ten recipes for home-preserving of your favorite fruits.

There are other helpful preserving hints in this insert which can be folded into a handy recipe holder.

General Foods are presenting this insert as part of a national Certo campaign.

We hope you will enjoy the recipes.

McGregor Golf

The first ladies' club tournament was held at the Lake McGregor Golf Course last Sunday.

Winners were: 1st, Mrs. Aleda Fluter; 2nd, Mrs. Bea McCord; 3rd (tie), Mrs. Byrla Armstrong and Mrs. Margaret Umschied; 4th, Mrs. Betty Armstrong.

Golf Excursion To Banff Tough But Enjoyable

Thirty-six Vulcan district golfers went to Banff Monday, June 5, for a day on the Banff Springs course and from general reports, they came back just as far out of reach of the eighteen holes physically as many of them are out of reach financially, of making the hotel their summer week-end lodge.

All the golfers have separate stories about the 19½ hour day but none will attach names to those stories. However from departure time at 6:30 a.m. to a safe bus ride home at 1:00 a.m. the following morning, 18 to 27 holes of golf were played, some the world's most beautiful scenery was viewed and some rare intermissions were held.

Tee-off time was 11:00 a.m. and it became clear before many holes had been played that water, hills and traps were going to be killers, not to mention the 100-odd yards walk between the greens and next tee-off spot. One golfer lost three balls to the water on par three hole and then parred or birdied the hole once over the obstacle.

The average loss of balls on a round was conservatively set at three though one duffer watched five sink into various pools and river stretches. A golfer who ended up with the same ball with which he started is going to have it encased in a trophy and placed on his mantel.

Sand traps, "big and deep as the swimming pool" baffled many who reported playing right out of one into another most of the way.

Club president Ray Wellman and John Wolfe and wives hit that weekend to be at a store business session at the hotel so during the day they held open house to 30-odd guests at a time at their rooms. Living was of a regal nature at the time with more staff then guests at the hotel but as the service increased, so did the tipping problem.

127-car Freight Over 1 Mile Long

Railway line interruptions caused by the floods in the B.C. interior are having their effect on rail traffic through south Alberta. Monday afternoon a freight came through Vulcan from the south made up of 127 loads being pulled by four deisel units, and the whole train stretched about one and one-quarter miles in length. Normal freights on this line are made up of from 40 to 60 cars with a single diesel for power.

Most of the train was made up of grain cars with a few fertilizer tanks and miscellaneous loads being hauled. To get some estimate of the weight being moved by the deisels, if all were carrying grain, total weight would be in the neighborhood of 8,600 tons, according to CPR officials.

The train stopped briefly in Vulcan where the crew walked its length making a routine check for hot-boxes and other points.

A good look at the family budget reduces the vacation fever.

For the four students above of the Brant High School, the recent spring dance held at the auditorium was their last social function as Brant students. Next fall three of them move to Vulcan to take their Grade XII year. Pictured from left to right are Gary Kennedy, Marilyn Hansen, Daphne McFadden and Merle Stotts. Merle will leave to apprentice in diesel work in Calgary. Another student, Frances Jorgeson, will take her Grade XII in Blackie.

Mr. and Mrs. Palmer Severtson and Danny motored to Camrose on June 3, for the Graduation Ceremonies at Camrose Lutheran College. Dearla, their daughter, was among 60 Grade XII graduates from the college which she has attended for the past two years. On Saturday evening, Dearla was accompanied by her parents to a banquet attended by 50 Grade XII students and their parents. Dearla represented her class in response to the toast given to the seniors by an undergraduate.

Commencement Exercises were held on Sunday afternoon in Camrose Lutheran Church and were followed by a tea for the graduates and their guests. Dearla's other guests at this occasion were her grandparents, Mr. and Mrs. O. Honig of Medicine Hat, Mrs. A. Olfason of Rolling Hills and several relatives from Edmonton.

Mr. and Mrs. P. Severtson spent the long farmers' day weekend visiting relatives in Medicine Hat. They also motored to eastern Saskatchewan where they attended the wedding of Mrs. Severtson's niece.

Marion Hames has been confined to the Vulcan Hospital for the past week following a shooting accident at her farm home last week. Marion was removing her father's .22 rifle from the family car when it accidentally discharged, the bullet lodging in her shoulder, and was removed later in the Vulcan Hospital. It is hoped that Marion will be able to return to school this week.

Ken Alder and Bruce Alder are in Edmonton visiting their sister, Mrs. Gordon Sandy, who is a patient in the University Hospital. Friends who remember Mrs. Sandy when she taught here will be sorry to hear of her illness.

Mr. and Mrs. Wayne Ruggles celebrated their 25th wedding anniversary in Lomond last week. A great number of friends from this district were among the many who gathered to congratulate them on this occasion.

Mr. and Mrs. Henry Ferguson entertained about 30 guests at dinner on Sunday when Mrs. Adam Ferguson was released from the Vulcan Hospital to be with her brother and sisters. Those from out of town were Mrs. Ferguson's brother and wife, Mr. and Mrs. G. Robinson; her sister, Mrs. Kate Mullinger of Oslo, Minn., and a sister, Mrs. Glenn Farmer of Grand Forks, North Dakota. Mr. and Mrs. Vic Ferguson of Ponoka were also present.

E. Pasolli has been confined to the Vulcan Hospital.

MISCELLANEOUS SHOWER

A miscellaneous shower was held in the basement of the Community Hall, Saturday evening for Miss Freida Hupp. A number of ladies of the community acted as hostesses and a large crowd gathered to wish Freida happiness in her future marriage

Miss Shirley Trebor presented Freida with a lovely corsage and good wishes on behalf of everyone present.

The program was made up of raindrops of advice for the bride, and song selections by a number of her school friends, LaRee Causey, Hazel Dow, Diane Hegland, Shirley Trebor, Chris Cummins and Sandra Puzey.

The gifts were wheeled in by Marlene and Lynn Kranzler. Freida was helped in opening the many useful gifts by her mother, Mrs. Hupp, Beverly Decker and Chris Cummins. After opening the gifts, Freida thanked everyone and asked them to visit her when she is settled in her new home.

A delicious lunch served by the hostesses brought the evening to a close.

HOME AND SCHOOL EXECUTIVE MEETING

The last meeting of the Home and School executive for the year 1960-61 was held June 5, with ten members and four visitors present.

Mr. Cummins gave a report on the program for the closing exercises to be held jointly for the Grade 12 and 11 classes on June 16. Miss E. Gordon reported for the teachers on the school picnic. It was decided to hold this on June 23, from 11:00 to 2:00 p.m., each family is to contribute $1.00 to cover the cost of lunch of weiners, buns and ice cream. Mr. Cummins reported that screens were urgently needed for the old section of the new school where the teachers and students sweltered in heat as high as 96 degrees. The meeting recommended this be reported to Mr. Ed. Carlson to see what action could be taken.

The next regular meeting of the Home and School will be held on Monday, June 19, this will be the annual meeting, do your best to turn out and hear reports from each of your old executive. Mr. Charles Lynn, 1st vice-president of the Alberta Home and School will speak and install the new slate of officers for the 1961-62 year.

The meeting closed with a surprize party for Mr. Schneider and Mr. Hall who are retiring from their present positions on the executive.

EXPLORER GROUP

The Explorers recently have had two enjoyable hikes, to complete their last Exploration for the year, "Exploring outdoors in the Spring." The first was a bicycle hike to the Theodore Holm farm, where the group enjoyed a pleasant evening with a weiner and marshmallow roast, games and a treasurer hunt.

The next outing was held in the Adam Ferguson grove, and supper was cooked on the barbecue. The girls then hiked to Henry Fergusons and held their final meeting in the rumpus room.

The following members graduated into CGIT: Marjorie Arnold, Laurie Cummins, Irene Georffy, Lynda Holm, Esther Matlock and Amanda Racher.

LAEL CHAPTER, I.O.D.E.

The June meeting was held at Alberta Burton's due to Mrs. G. Dow being away. Thirteen members were present.

One quota article was turned in. Some members are to go to Pincher Creek on June 15. The float was discussed for the July 3rd celebration of the town and a committee was formed, as follews: Margaret Dow, Beth Little, Barbara Hildebrandt and Myrtle Versluys. Supplies for the float are to be bought and paid for as soon as necessary.

Mrs. Kay Fath and Mrs. Ruth Olheiser served a lovely lunch. Mrs. Olive Hanley won the raffle.

ARMADA

Mr .and Mrs. Maurice Henrickson were Lethbridge visitors last Thursday.

Mr .and Mrs. Leon Root spent the weekend at the home of Mr. and Mrs. Glen Root and family.

Mr. and Mrs. Gordon Lucas and Terry, also Mrs. Dorothy Henrickson were Calgary visitors last Wednesday. Stancil Chambers was also a business visitor to Calgary on Wednesday.

Several men motored to Lomond last Friday to help fight the fire at the lumber yard, but it was quickly brought under control. The amount of damage done is not known.

Several people attended the Milo Race Meet. Jack Mark's horse was injured and was not able to run in the races on Saturday.

Mr. and Mrs. Bud Tyler and son and Bill Tyler were Sunday guests at the home of Mr. and Mrs. Arnold Boe and family.

Mrs. Helene Boe of Vulcan spent the weekend at the home of her son and daughter-in-law, Mr. and Mrs. Arnold Boe and family.

Mr. and Mrs. Harold Magnuson have Mrs. Magnuson's sister, Marilyn Montgomery of Medicine Hat, staying with them for a couple of weeks.

Helen Miercer of Lomond spent the long weekend at the home of Mr. and Mrs. Arnold Boe and family. She also attended the Milo sports day.

Plans were made for the forthcoming Sunday School picnic which will be held on June 25, after church service. Church and Sunday School was held on Sunday with a very good attendance.

Very hot, dry weather is still prevalent in the district, with grasshoppers being a menace to the farmers. Many farmers have sprayed for hoppers and some are now spraying for weeds. Residents are beginning to get a little worried as a good rain is needed very much.

COMMUNITY CLUB

The ladies of the Community Club met at the home of Mrs. Wilma Boe last Wednesday evening. There were 12 members and two visitors present. The roll call was to bring a salt and pepper shakers, also cream and sugar to be used in the hall.

Committees for the coming shower were drawn for as there will not be another meeting until August. The remaining bazaar articles will be auctioned at the August meeting. Mrs. Sis Stoke's contest was won by Mrs. Marvina Hendricks.

A delicious lunch was served by Mrs. Marjorie Marks and Mrs. Marvina Hendricks, assisted by the hostess, Mrs. Wilma Boe. The August meeting will be held at the home of Mrs. Eileen Meyers on Aug. 2, in the evening.

Mr. and Mrs. Jim Williams left last week for Chicago, Ill., to meet their son Dickie who will be returning with them.

Miss Ellen Markert was hostess to seven of her school pals at a pyjama party last Wednesday night. All spent the night out in a tent.

The Ensign folks were pleased to see that a new street light had been put up on Thursday of last week. It had only been lit two or three hours when some smart-alec kid from Brant shot the bulb off.

Several from Ensign enjoyed the school fashion show and tea held in Brant on Monday, June 12th.

The shower on Monday evening was welcomed by the farmers as the crops are showing signs of drought.

Members of the Brant CYO met Sunday afternoon at the home of Mrs. Odile Paton. Sandwiches and cokes were served after the ball game.

COMMUNITY CLUB

The Ensign Community Club meeting was held at the hall on Wednesday, June 7, with 14 members answering the roll call with a tea towel for the hall kitchen. Two visitors were also present.

It was decided to send $25 to the Vulcan swimming pool. A play ground that is to be built in the town was discussed. A committee was named to make all inquiries to see what can be done and where the most suitable place would be to build one. July 25 was the date set for the annual community picnic. The committee named was, Mrs. Russel Markert, Mrs. Don Mcfadden and Mrs. Bob McFadden.

The surprise box was donated by Mrs. C. Mote and won by Mrs. Ted Howlett. Lunch was served by Mrs. Bill Turley and Mrs. B. Brown. There will not be a meeting in July. The next meeting will be on Wednesday, Aug. 2.

JOHNK — COUSINS

Colorful chrysanthemums formed a beautiful setting at the Free Methodist Church, Spruce Cliff, Calgary on June 10, when Rev. J. Schnell performed the marriage of Marjorie Cousins and Clarence Johnk. The bride is the daughter of Mrs. A. Cousins and the late Mr. Cousins of Winnipeg. The groom, who resides in Milo, is the son of Mr. and Mrs. Angus Johnk.

Given in marriage by her brother-in-law, F. Kirby of Winnipeg, the bride chose a white brocade dress and duster ensemble with three-quarter length sleeves and long white gloves. She wore a matching bow-type headpiece and short veil, and red roses and stephanotis were effectively arranged on her white prayer book. The bride was attended by Mrs. Mel Halverson, wearing a floral dress and duster ensemble of delicate shades of green, with white cloche hat. She wore attractive gold and pearl brooch and earrings, which was a gift from the bride; and carried a bouquet of white and yellow carnations.

Mel Halverson was best man and Mr. Johnk's brother-in-law, Roy Makaymee, ushered the guests. David Halverson, who sang, "What God Has Promised," was accompanied by the organist, Mrs. E. Broom.

The reception was held in "The Pump Room" where Mel Halverson proposed the toast to the bride. Following the reception, the couple left for Banff, where they will spend their honeymoon. On their return, Mr. and Mrs. Johnk will reside in Milo.

PASTURE VALUABLE PART OF FARM

"The pasture is the forgotten part of farm operations", says Bill Herringer, the administrative officer for the Prairie Farm Rehabilitation Administration on the Hays Irrigation Project. He states that intensive use of irrigated pastures for fattening livestock is a comparatively recent development, and that farmers of southern Alberta where irrigation is a major operation, are slowly becoming aware of the value of irrigated pastures. However, he adds that as yet 95 percent of the irrigated pastures in the area are used mainly as exercise paddocks with little or no grass growing on them.

During the past three years Mr. Herringer has conducted grazing demonstrations for the benefit of farmers resettled on the Hays Project by P.F.R.A., under the Federal Government's Resettlement Program. He has made an intense study of grazing methods and has actually produced 926 pounds of beef from one acre of well-managed irrigated pasture.

"We have now reached the point in Western Canada where grazing leases are becoming increasingly scarce, particularly in irrigated areas", says Mr. Herringer, and he notes that as available land is the limiting factor in livestock production, the farmer must produce more meat and milk per acre on the land he already has. To do this, Mr. Herringer says it is necessary to increase pasture and crop production, and improve livestock through better breeding and selection.

This expert on irrigation and its potential says that "It has been shown in all irrigated areas of Canada and the United States that irrigated pastures, properly managed, can give a net dollar return above any other farm enterprise except specialized crops". He says this is possible only if the pastures are used to produce marketable beef, lamb or milk, and that a cow-calf proposition on irrigated pasture is usually not economical, and that dryland grazing leases should be used for this purpose.

Mechanical grazing demonstrations have indicated that this method of feeding can prove very beneficial. Here Bill Herringer, administrative officer on the Hays Irrigation Project in Alberta, feeds cattle being groomed for market via the mechanical grazing method.
P.F.R.A. Ref. No. 18023

Mr. Herringer suggests that one of the most efficient ways of using irrigated pasture is to seed it to a hay crop and feed by the mechanical grazing method. By this means the pasture is brought to the cow, instead of the cow to the pasture. One of the advantages of this method is the more efficient use of feed, for waste of forage can be as high as 40 percent due to the animals' preference of certain plants, fouling and trampling, when the stock is allowed to graze. As Mr. Herringer says, "Grass grows by inches, but is often destroyed by feet". Other advantages are higher gains per animal per acre, the fact that no fencing of the pasture is required, watering is easier, fly and insect control is easier, and loss from bloat is reduced or eliminated.

Two disadvantages that Mr. Herringer mentions are the initial investment for machinery to operate by this method, and the fact that it is a seven-day a week job.

Finally, Mr. Herringer has some tips that have been learned in conducting the grazing demonstrations at Hays. The land should be in shape for an efficient job of irrigation; the feedlot setup should be planned so that it is suitable for both summer and winter feeding; the farmer should never lose sight of the fact that fertilizer and water go hand in hand, and that one is no good without the other and that ample shade for stock is a must for there is nothing like a hot sun and high temperatures to take an animal's mind off eating, and if they don't eat, they don't gain.

REUNION OF THE NIGHT HAWK CLUB

It was on a Friday way back on May 21, 1926 that a group of girls met at the home of Jacob Bakkila at Black Spring Ridge for the purpose of organizing a club. The club was named the "Night Hawk Club" and the young ladies met for several years after that. Their purpose was to buy a piano for the Finn Hall, which they did. They also enjoyed several camping trips to Waterton Lakes and other places.

On Monday, May 22, a re-union was held at the home of Eileen Hurnanen, who was one of the chapter members, honoring Florence Garrison (nee Bakkila) who is now living at Hillsboro, Ore., and visiting in the Barons and Carmangay district.

Those present were Mesdames Mary Ross, Lethbridge; Eva Delaney, Calgary; Vivian Milliken, Carmangay; Helen Ryden, Barons; Ruth Dahl, Carmangay; Florence Garrison, Hillsboro, Ore.; and Eileen Hurnanen.

Eileen Hurnanen served a delicious lunch and the ladies hoped that another reunion could be held again in a few years. Other members of the club who were unable to be present were Mesdames Lillian Row, Sadie Stevens, Irene Korsman, Hilma Gullickson and Ella Berg.

HOME AND SCHOOL ASSOCIATION

The regular meeting of the Carmangay Home and School Association was held in the village office, June 8.

The chief business was to hear reports of the various committees on the year's activities and to choose a new executive for the coming year. The reports indicated a busy and successful year.

The new Home and School executive is as follows: President, W. E. McIntyre; vice-president, Mrs. Elnora Anderson; secretary-treasurer, Robert Hubka; program committee, Mrs. Melvina Roemmele and Mrs. Emma Smith, with the third member chosen from the teaching staff in September; news convener, Mrs. Elsie McIntyre.

The architects sketch plans for the proposed school were on display and on being studied, drew considerable adverse criticism from the members. A public meeting of parents and ratepayers was called to meet in the community hall at 8:00 p.m., June 10, to give full consideration to these proposals.

The meeting concluded with the showing of two travel films, "The Fighty Fraser" and "Columbia Icefields."

Don't make the mistake of being afraid you'll make one.

SHORT COUNT

If all the good resolutions that are kept were placed end to end they wouldn't reach very far into the new year.

Strive to enter in at the strait gate, for many, I say unto you will seek to enter in, and shall not be able. When once the master of the house is risen up, and hath shut to the door, and ye begin to stand without, and to knock at the door, saying, Lord, Lord, open unto us; and he shall answer and say unto you, I know you not whence ye are:

Then shall ye begin to say, We have eaten and drunk in thy presence, and thou hast taught in our streets. Put he shall say, I tell you, I know you not whence ye are; depart from me, all ye workers of iniquity. There shall be weeping and gnashing of teeth, when ye shall see Abraham, and Isaac, and Jacob, and all the prophets, in the kingdom of God, and you yourselves thrust out.

The biggest culvert in the County of Vulcan is presently being installed on a north-south stretch of road about 18 miles north-east of town. The culvert, supplied by the bridge branch of the provincial government, is 168 feet in length, has a diameter of nine feet and is made up in 21 individual sections, including the sloped ends. In all, about 122 pieces make up the complete item.

There are six curves of corrugated metal in one circumference and all parts are bolted together with about 4,600 bolts used. Other new culverts are located near the Bob Gerding farm where one 80 feet long is called for and another 76 feet long is near the Evan Munro farm. Another is planned for a point near Majorville.

The above youngster, dwarfed by the size of the culvert, was more interested in the echc value of the object then its monetary value.

A cat and dragline were used to move the culvert and build up 25 to 30 feet of fill needed to place it in position.

ARROWWOOD

Congratulations go to Mr. and Mrs. Ted Burger on the birth of a daughter on June 7, in the General Hospital.

Bob House has accepted a position with CBC as a technician and will be employed in Calgary during the summer months. In September he will be transferred to Edmonton where CBC will be opening a new TV station. Congratulations Bob.

Miss Sharon Beckner who is employed in Calgary, is at present on her holidays and is visiting her folks, Mr. and Mrs. Bud Beckner.

On Friday and Saturday, Arrowwood was pretty quiet, as it seemed as if everyone had gone to the Lake McGregor Race Meet.

Mr. and Mrs. Joe Kostinick and family of Edmonton are at present on holidays and are visiting at the home of Mrs. Kostinicks parents, Mr. and Mrs. D. Richards.

Mr. and Mrs. Ray Helm and family of, Torrington were Saturday and Sunday visitors at the home of Mr. and Mrs. Bert Setters.

Mr. and Mrs. Dan Jenzen and family of Edmonton are on holidays and are visiting with Mrs. Jenzen's parents, Mr. and Mrs. Russel Culp.

On Friday the Grades 7, 8 and classes and their teacher, Mrs. Anne DeWitt and several parents went on a two-day camping trip to Waterton Lakes.

Mr. and Mrs. Tom Kuntz of of Turner Valley were Sunday visitors at the home of Mr. and Mrs. Harry Smith.

On Sunday, Arrowwood was well represented at Lake McGregor, where the children all enjoyed swimming. Some of the parents also tried the water.

Miss Jenny House and Miss Sharon House of Calgary visited at the homes of their parents for the weekend.

UNITED CHURCH W.A.

The Arrowwood United Church WA met at the home of Mrs. Margaret Talbot on Tuesday, June 6, and entertained the Gleichen, Cluny and Mossleigh WAs.

Three life memberships were presented to Mrs. Wm. Morrison of Gleichen and to Mrs. Wm. Thompson and Mrs. Walter Stiener of Arrowwood. Mrs. Brown of Calgary was guest speaker.

A delicious lunch was served on the lawn to about 50 ladies.

VULCAN WEST

David Dawson of the University of Edmonton is spending a few days visiting his parents, Mr. and Mrs. Dave Irwin. When he returns he will work for the summer at the Provincial Mental Hospital at Ponoka.

Mr. and Mrs. Ronnie Jordan, Larry and Mr. and Mrs. Harold Bride enjoyed fishing and picnicking west of Nanton on Sunday.

Eugene, Randy and Bruce Carruthers were weekend visitors at the home of their grandparents, Mr. and Mrs. Stanley Brown of Queenstown. They attended the Race Meet in Milo. On Sunday Mr. and Mrs. Earl Carruthers motored to Queenstown and the boys returned home with them.

Room For Improvement

Reading the other day about a provincial association of architects which, last February, passed a resolution to encourage Canadian newspapers, magazines and other media to publish "intelligent criticism" and discussion of Canadian architecture makes us wonder about the efficiency of the people employed by the provincial government who must approve all plans for such buildings as schools and hospitals.

In the case of the Carmangay school, completely destroyed by fire early this spring, the obvious weakness was the attic or air space between the ceiling and roof extending the full length of the school without a single partition or firewall to stop or hinder the flames fed by the tarred roof. Here was a weakness that could easily have been remedied at the time of construction if the cement block partitions between classroom sections had been extended higher — above the level of the tarred roof. The Carmangay school would, in all probability, still be standing today if these so-called firewalls had been extended above the roof level, according to reports of members of the Vulcan fire department who assisted in fighting the blaze.

This fault probably exists in many of the new schools built in Alberta these past ten years and yet the plans for these supposedly fireproof buildings must be approved by the government "experts" before they are built.

One other criticism of the architectural profession that seems to be well-founded—at least in this part of the province—is its seeming inability to design a school building roof that will last more than a year or two without springing leaks or otherwise giving trouble. Fees paid to architects are certainly high enough to warrant better designing.

SERVICE BOARD NOTES

Norman Soder

The infestation of grasshoppers in the County this year is far beyond the expectations of most people.

Unreasonably hot weather has resulted in a tremendous hatch of grasshoppers in most of the southern and eastern parts of the County. Along with the grasshoppers, a lot of damage has been done to crops by sun scald, causing a lot of the seedling plants to wilt and die. With this and the grasshopper damage, some of the crops have taken quite a beating.

In some cases, the grasshoppers were not noticed by the farmers until they were all through their crops. A shortage of chemical is slowing down the control of the grasshopper in a lot of areas.

There were 724 gallons of Dieldrin on hand when the rush started, which was as much as was sold last year. To date, 2,150 gallons have been sold through the County, and an unestimated amount sold by other sources within the County and brought in from outside the County.

Dieldren contains 32 ounces of actual ingredient per gallon. It is applied at one ounce per acre when the grasshoppers are young. With a possible 3,000 gallons of Dieldrin sold in the County, 96,000 acres could have been treated, which is one-fifth of the crop land in the County.

Many farmers have shared the chemical they have received with their less fortunate neighbors. The supply at present is still very short, but should be good by the end of the week.

Dieldrin cannot be returned for credit.

EASTWAY

Mr. and Mrs. Archie Oldfield and Mr. and Mrs. Ken McLean were among those who attended the High River 4-H Calf Sale.

Mr. and Mrs. Bob Black of Toronto, Ont., were recent visitors at the Archie Oldfield home.

Recent Calgary visitors were Jeanette Sinclair and Allan Smith and Mr. and Mrs. George Gooch.

Mr. and Mrs. Billy Marshall initiated their new camper while fishing at Allan's Dam and attending the races at Lake McGregor.

Mable Gooch entertained 17 ladies at an Avon tea last Tuesday.

Mr. and Mrs. Dale McLean and daughter, Kari were Sunday visitors at the Ken McLean home.

Nearly all of the neighbors attended one or both days of the races at the lake.

Congratulations to Judy Willard for being chosen queen.

IDENTICAL TWINS SOUGHT

Do you know of a set of twin calves of any age or dairy breed? The Department of Animal Science at the University of Alberta is interested in locating and identifying twin dairy cattle in this province for their research programs.

Information on the location of the calves (road directions), their age, breed, sex, marking and whether they are in the same herd would be greatly appreciated by Dr. J. M. Asplund, Department of Animal Science, University of Alberta, Edmonton.

Letters to the Editor

Arrowwood, Alta.
June 2, 1961.

To the Editor of The Advocate,
Dear Sir:

I always enjoy your letters in the paper to the Editor. The one last week from the lady in Montreal, I found amusing. That someone in Montreal can see through the cause of some of our school and hospital problems — that ones here cannot see through.

From information I received last week, I for one and others, hope to see one problem improved in the next year, but only time can tell. It might be of interest to some parents also, who take no interest in schooling, to know that sometimes our high schools in the County are not inspected during the year by a high school inspector. It's time the Home and School Association or other interested groups look into this situation.

Also, in Calgary schools teachers are pensioned at 65 years, but in the County of Vulcan, age means nothing.

Hope this letter will be of as much interest to the lady in Montreal as hers was to me.

Yours truly,
Mrs. Leigh Williams.

Recent Wedding At Carmangay

WENNES — BUNES

A wedding of interest to the Carmangay district took place at the Carmangay United Church on Saturday, April 29, when Rev. Sharpe of Vulcan united in marriage, Joann Bunes and Allan Wennes.

The bride wore a two-piece sheath of beige lace over satin with three-quarter length sleeves. Her accessories were rose and beige with orchid and a sweetheart rose corsage. She wore a necklace and matching earrings, a gift of the groom; and carried a white lace covered Bible.

The bridesmaid, Margaret Hegland, wore a white sheath with pink flowers and matching jacket, with white accessories and a corsage of pink carnations.

The best man was Delmar Hegland.

A small reception was held for family and friends at the Wennes home. Friends and neighbors enjoyed open house held that evening at the Wennes home.

HOW MANY HAVE A BANK ACCOUNT?

Chances are they all have/Because nowadays practically everybody is a bank customer. And they go to the bank so often and for so many reasons: to deposit savings, arrange a loan, buy or sell foreign exchange, purchase money orders . . . In fact, Canadians seem to use banking services more than the people of any other country/The chartered banks, for their part, do their utmost to make each branch a friendly, efficient centre for every kind of banking service.

BRANT

Brant Students' Union held their final dance for the year on Friday, June 2. Music was supplied by Harold Anderson's Orchestra. A good time was enjoyed by all who were present.

Mr. and Mrs. C. A. Fletcher motored to Edmonton on Sunday where Mrs. Fletcher took part in an essay award presentation for Tommy Irwin.

Mr. and Mrs. P. M. Gallagher and family drove to Pine Lake and Red Deer last weekend.

Sunday visitors of Mr. and Mrs. S. Fletcher were Mrs. Whitebread and family, Jim Kidd, Francis Mitchell and Ray.

Weekend guests at the home of Mr. and Mrs. Ben Ball were Mr. and Mrs. Charles Melanson and Miss Carol Fulton, all of Calgary.

Mr. and Mrs. Jim Wells of Calgary, formerly of Brant, flew to Cardiff, Wales for a month's holiday. They will be visiting with Mr. Wells' family while there.

On June 11th it was decided that the Brant United Church and Sunday School picnic would be held on Sunday, June 18 at 2:00 o'clock in the High River park. Each family would bring their own lunch including weiners (to be barbecued) and buns. Ice cream will be provided for the children.

LADIES' AID MEETING

The June meeting of the Brant Ladies Aid was attended 13 members and 12 visitors from Cayley, Calgary and the Brant district. Mrs. Jean Olsen, the president, chaired the meeting. The devotional was led by Mrs. Beverly Davies after a short bisiness session. A very interesting and challenging talk was given by Mrs. Ken McCallum of Calgary. She told the story of the complete change in the iife of a young Chinese girl who escaped from Red China and who now lives to help us Canadians recognize the same seeds within ourselves that caused her country to fall to communism,. The breeding ground for communism lies in injustice, corruption, moral compromise, fear bitterness, vanity and personal ambition rather than in poverty. hSe concluded her talk by quoting from William Penn, "Men must choose to be governed by God or they condemn themselves to be ruled by tyrants.

Mrs. B. Prater and Mrs. M. Pearson assisted by Mrs. Jean Olsen and Mrs. Inez Prater then served a delicious lunch.

BLACKIE

The regular meeting of the Women's Missionary Society was held at the Blackie United Church on June 1st with ten members and four visitors persent.

LOMOND

Mr. and Mrs. Pete Ruppert and family enjoyed a wiener roast at the Ralph Richardson home at Berrywater Sunday evening.

Mr. and Mrs. Merl Pearson, Beverly and Kenny spent last weekend at the home of the latter's mother, Mrs. Brotherwood of High River.

Deepest sympathy of their many friends in Lomond and district is extended to the Sande families at the news of the sudden passing of Mrs. Gordon Sande in Edmonton.

Mr. and Mrs. Denver Hart were visitors in Lethbridge on Thursday.

Elmer Jensen, accompanied by his sister, Mrs Mary Parantau and Mr. and Mrs. George Maronda were recent Sunday visitors in Hussar.

The Goodwill Service Club is sponsoring a meeting to be held in the Lomond Community Hall on Monday evening, June 19, at 8:00 p.m. for the purpose of organizing a mobile TB chest X-ray unit for the Lomond, Travers and Armada districts. It is hoped as many as possible will attend. A speaker will be present.

Congratulations are extended to Mr. and Mrs. A. Bonagofsky on the birth of a daughter in the Vulcan Hospital last week.

Mr. and Mrs. L. Chase were visitors in Lethbridge on Saturday of last week.

Miss Donna Mae Wong arrived home on Saturday from Swift Current, Sask., where she is attending school to spend the summer holidays with her father and brothers, Joe Wong, Lenny and Kenny.

The new Anglican minister, Rev. Dewey McClintock held services in Lomond on Sunday and plans to hold services every Sunday at 3:00 p.m., in the future, instead of twice a month as was the previous schedule.

Mr. and Mrs. Harold Koch and family were recent weekend visitors at the home of the latter's parents in Three Hills.

Mrs. Pete Ruppert, accompanied by Mrs. Merl Pearson and Mrs. L. Chase were visitors in Lethbridge on Thursday of last week.

Mr. and Mrs. Ken Doran and family were visitors in Lethbridge on Friday of last week.

Mr. and Mrs. Ken Sokvitne and family were visitors in Calgary last weekend.

Mr. and Mrs. Reg. Frost were visitors in Calgary on Wednesday of last week to attend the Red & White convention.

Congratulations are extended to Reg. Frost who was a winner of a transistor radio at the draw in Milo last Friday night.

A good number of Lomond residents took in the stampede at Brooks and Milo, Friday and Saturday of last week.

Lomond Lions and their wives attending the Lions Convention in Medicine Hat last week were as follows. Lion Doug Walker and wife Pauline, Lion Earl Helland and wife Lil, Lion Cliff Schlaht and wife Laverne and Lion Hirst Goldthorpe and wife Ivy.

The Lomond Regals baseball team motored to Rolling Hills Sunday for a double-header league game and came home very pleased having won both games. This ties them for first place with Vauxhall.

LAKE McGREGOR CAMPOREE

The Lomond Boy Scouts attended the fourth annual Lake McGregor Camporee last weekend with a good attendance.

"A Troop" with 22 boys present was led by Kjeld Pederson and Pete Stokes. "B Troop" with 17 boys attending was led by Jim Foreman and John Gray. Altogether there were 105 boys that attended from the county with 39 being from Lomond.

Thanks are in order for the van drivers who supplied their vans and which made much better travelling than in former years. Also to Elmer Jensen who drove a van and to Russel Honess, camping chairman, who supplied his truck and ably assisted the leaders with the handling of the troops.

During the Camporee, projects were held with ribbons awarded for first, second and third place of which 15 came to Lomond. "A Troop" receiving six and "B Troop" receiving 9. The highlight of the event for the Lomond troops at least was when "A Troop" dropped the leader of "B Troop" in the stream. It was reported that movies were taken throughout of this unrehearsed event and should prove very interesting to see.

All who attended the Camporee reported having spent a very enjoyable weekend.

QUEENSTOWN

Congratulations go out to Gary Robertson and Dawna Mae McCord for winning awards at the Lake McGregor Fish Derby on June 4.

Miss Eileen Edwards of Calgary visited at her home during the weekend.

Weekend visitors at the George McMorris home was Mrs. McMorris's sister's family from Huxley.

Mr. and Mrs. Gall (nee Katy Popoff) were guests of Mr. and Mrs. Walter Kowalewski during the weekend.

Congratulations are extended to Mr. and Mrs. Freddie Zaytsoff on the birth of a daughter in the Vulcan Hospital on June 10.

Get well wishes go out to Judy Hellevang who will be admitted to the Alberta Crippled Children's Hospital this weekend to undergo surgery.

Mrs. Clara Kingsmith, Mr. and Mrs. Eddie Kingsmith and Goodwin Soli visited relatives in the district last weekend and took in the Race Meet.

Sharon Taggart is visiting with her parents this week.

A six bushel quota became effective at this point on Monday, June 12.

MOSSLEIGH

The Mossleigh district was saddened on hearing of the death of three old timers: Jake Egli passed away in Vancouver after being the victim of an auto accident. Deepest sympathy is extended to the family of Mrs. Milt Henry who passed away in a Calgary hospital after a lengthy illness. Antoni Glowacki (Tony) passed away at his home, he had been in poor health but was able to look after himself and just celebrated his 90th birthday on June the first. Funeral services were held for Tony in Vulcan on Friday morning.

The Lions Club held their annual convention in Medicine Hat last week with Archie Hay and Milt Grant and their wives representing the Mossleigh Club and they report a very interesting meeting and enjoyable entertainment.

A double-header baseball game was played here again on Sunday, with Mossleigh Seniors playing Acme. Mossleigh was not quite as lucky this time and Acme went home victorious in both games. Two of the home team's best players were on the bench with injuries, one with a sprained knee and the other with a number of stitches in his knee. Better luck next time boys.

WOMEN'S ASSOCIATION

A fairly good attendance was present at the Women's Association of the Mossleigh Church at their June meeting. Five ladies from Arrowwood were guests. Mrs. W. Campbell led the devotional period.

The 4-H boys have agreed to paint the church, so the ladies decided to serve dinner on the day they are working. June 14 was the day set to clean up the grounds. The WA volunteered to assist the TB X-Ray Mobile Clinic.

For the program, Mrs. Butterfield from Calgary Presbytery spoke on stewardship; Mrs. Margaret Brown, president of the Presbytery WA and Mrs. Moffit, president of the WMS also brought greetings from the WA.

Lunch was served by Mrs. E. Robinson assisted by Mrs. J. Leslie and Mrs. H. Washburn.

SUMMERFALLOW EARLY
Summerfallow stores up rainfall; thus failure to kill early weed growth in the spring may seriously reduce the amount of moisture that is retained and stored in the soil. Plan to start summerfallow operations early, preferably as soon as seeding is completed. It will pay to do so.

SERVING THE PROVINCE OF ALBERTA

Cooking is older than recorded history . . . nearly as old as man himself. The use of heat to make food more palatable dates back to the cave-man's open fire. But to bring it a little more up-to-date, maybe you remember how your mother complained about the old coal and wood stove. True, it's warmth was welcome in the kitchen during the winter, but not so welcome in the heat of summer. And what a nuisance it was keeping the woodbox filled, keeping the stove clean, carrying out ashes. Today, it's electric cooking — the clean, fast, economical method that makes cooking fun — assures you of perfect results every time. All you have to do is set the oven time, put your meal in, and forget it. When you're ready for dinner . . . dinner's ready! YOU live better ELECTRICALLY!
